Subject: Request for approval to attend ServerlessDays ANZ 2024

To whom it may concern,

I am writing to request your support for my attendance at ServerlessDays ANZ 2024, a leading technology conference focused on serverless architectures and innovations.

Date: Tuesday, 24 May 2024

Time: 9.00am to 5.30pm

Venue: Pullman Auckland, Cnr Waterloo Quadrant & Princes Street, 1010 Auckland, New Zealand

Cost: \$200 (general admission)/\$140 (early bird)

I believe that participating in this event will greatly benefit the team and company as well as my own professional growth and development. The conference offers an opportunity to gain insights from leading industry figures and practitioners in the serverless space locally and internationally.

Here are some reasons why I'm interested in attending:

- **Enhanced professional skills:** The sessions are designed to upgrade technical skills and provide practical solutions that we can apply to our work.
- **Networking:** This conference offers an opportunity to connect with highly skilled and talented professionals, leading to knowledge exchange, potential collaborations and recruitment opportunities for our team in future.
- **Innovative solutions:** We could discover cutting-edge approaches to solve problems that could streamline our operations and increase efficiency and profitability. Sessions in the past have covered how companies used serverless to automatically scale workloads to meet customer demand in real-time; or how

to leverage serverless to experiment and deploy features more quickly and cost-effectively than traditional infrastructure.

I am enthusiastic about the potential impact of attending ServerlessDays ANZ 2024 and am eager to discuss this opportunity further. Thank you for considering my request. I am looking forward to your feedback and am happy to provide any additional information you may need.

Yours sincerely,
